VOLUME 3 - No. 3

Registered, Newark, New Jersey

JULY 1, 1957

Photo by FELIX CANNATELLA

A.N.A. General Secretary **LEWIS M. REAGAN** with hat on is shown being greeted by H.A.N.A. officials, left to right; Ray Janda, H.A.N.A. President, Ray O. Lefman, Lewis Reagan, John Maxim, and Galen Whitt.

Mr. Reagan flew in to attend the May H.A.N.A. meeting and see the Kansas City Museum coin display for National Coin Week. Over \$117,568. worth of numismatic material was displayed and over 4,000 persons witnessed this record breaking display, according to Director Dr. Prescott. Advance Radio and Television announcements, plus some ten newspaper notices contributed to this grand display.

The Heart of America Numismatic Association is constantly breaking records. The goal of 200 members for 1957 has already been broken. At the last meeting, well over 200 people were present. Below is a list of members who have worked hard in the growth of the club.

Jack Klausen—Auctioneer for our Club.

Dudley Brown—Helping to finance our paper.

William Knapp—Helping to finance our paper.

Ray Janda—Chairman for National Coin Week.

Lester Wright—Chairman of the Kansas City Museum Display.

John Maxim—For the fine entertainment we have had and for assisting Jack Klausen as auctioneer.

Galen Whitt—For the improved auctions that we have enjoyed in recent months.

Felix Cannatella—For the photography so necessary to let others know what is going on in Kansas City.

Tom Graf—For the fine job he is doing in handling our Junior Auction.

Stewart Sand & Material—For furnishing us a place to meet. (Rent Free)

Many of the members are serving on committees which are doing a splendid job. Credit goes out to all the members who have been so loyal in attending the meetings faithfully, participating when called on, and who have been responsible for the tremendous growth of the club.

REENGRAVED 1898 INDIAN CENT

Jack Feierstein a consistent advertiser of our pages owns the scarce 1898 cent shown on the left. Jack related Mrs. Feierstein found this reengraved date. Jack had pushed this coin aside many times not noticing its valued date.

In the early days a worn die was used until it broke, or was sent to the mint engraver to reengrave the worn date or other features. As you will note the date and neck is doubled.

Interested parties write to Jack Feierstein, 67-38 108 St., Forest Hills, N. Y.

Jack, a member of many coin associations, attends the Newark Coin Club regularly. He has recently made a trip to Arizona and has mentioned it is wonderful there.

FROM THE EDITOR'S DESK

I have received from time to time cards and letters from our readers saying their copy is late, or they have not received it.

This paragraph should explain and help understand the problem. We endeavor to get the monthly issues through the mails for the first of each month. Unfortunately this is not always possible, due to the great amount of time needed and unforeseen problems in publishing do occur. But, our readers can expect the "Eaglet" to be published and into the mails sometime between the first and 5th of each month. Also to allow from 2 to 5 days delivery.

Through your letters and inquiries we have noted the smaller cities and towns receive their copies earlier. For example, the Bronx, Brooklyn, N.Y.C. and our home town of Newark are a day or so later in delivery due to the greater mail handling of these large cities. Smaller towns and cities in the same areas deliver same day received due to less handling. How long it takes to receive your copy depends on the postal service, we have no control once it leaves our office. All complaints to these effects are checked out on the file cards and address plates for any errors.

To our advertisers we suggest to use the 15th day as the minimum for auction closing dates to allow for any delays and to receive a fairly decent response.

NOTE: Due to greater expenses required in publishing and long delays of advertisers remittance of ads, OUR POLICY IS NOW CASH WITH ALL COPY SENT. WE WILL BILL ONLY TO OUR CONTRACT ADVERTISERS. Please comply.

Vacation time is here, many will travel, go bathing, shopping, and just plain relax. Happy vacation to all, as for yours truly, well as the saying goes, I've got to mind the store!

QUAD-CITY CONVENTION

By Earl A. Mc Brayer

On Sunday, May 19th, 1957, the annual Quad-City coin convention was held in the Veterans of Foreign Wars Building in Wooster, Ohio. Canton, Akron,

Wooster, and Ashland, Ohio, make up the Quad-City group. The show was open to the general public, and everyone interested in coins and currency was invited. Wayne County coin club of Wooster was the host.

It seemed an excellent way to spend a pleasant weekend, so your reporter, accompanied by Mr. W. W. Lyon, of the Cincinnati Numismatic Association, motored up for the occasion. We arrived late Saturday night and planned on getting a good rest before the beginning of a very busy day.

The next morning we were disappointed to look out and find a drizzle that showed every indication of becoming a downpour. Unfortunately that possibility materialized before noon, and the attendance was reduced from an expected four hundred or more to one hundred and sixty-seven, including dealers and their families, at last check at the registration desk in the late afternoon.

However, the collectors and their families who were present had a thoroughly enjoyable time. Since no one was pressed for space, everyone had a fine chance to see the many carefully prepared exhibits. There were twenty dealers with colorful cabinets of coins available for inspection also. Mr. Bob Jameson, local dealer from Wooster, Ohio, frequently had more people to talk to than one good man could possibly handle. It was observed that in several instances he could have used several heads and at least ten hands!

In writing of the convention, I want especially to make comment upon the excellent work and friendly manner of Dr. William Lytle of Wooster, Ohio. He was busy the entire day, as were many others, helping to set up exhibits, register collectors at the door, and assist with the auction. Still he found time to make certain THE FLYING EAGLET and its representation were comfortable in their location. Incidentally, locations in the hall of all who held bourse reservations were determined by lot. It was the fairest possible way to handle the assignment of positions.

During the course of conversations with a large number of the dealers and collectors your writer was extremely pleased to find positive approval expressed by everyone in compliment to THE FLYING EAGLET and the work it is performing in making the hobby of coin collecting interesting and profitable for all. As an example, Mr. Dale Bricker, President of the Mansfield, Ohio, Stamp and Coin Club, came up and said he had been intending to subscribe for some time but just had not gotten around to it. Needless to say I signed him up immediately, and it was a pleasure to do business with such a courteous and complimentary a gentleman.

Pretty Barbara Immel of 1505 Lincoln Way, Massillon, Ohio, proudly displays her copy and Free subscription of the Flying Eaglet. Dealers in attendance were asked to contribute something for the door prize drawing. Our representative Earl Mc Brayer offered a free one year's subscription. Everyone was pleased and happy to see Barbara win her prize.

In the rear of photo left to right is Dr. Wm. Lytle, Ralph Leisy and Edwin Johnson the auctioneers. Dr. Lytle is shown using the microphone to call out the lots.

Dear Sr:

I received your very interesting and very informative journal now for two months, and really enjoy reading your journal.

I especially enjoy reading the Reader's Exchange section.

When I was in Australia, I purchased a silver sovereign holder. It holds five gold sovereigns. It looks like a watch case. If any of your readers would like to trade U.S. coins for it or any reasonable offer made will part with it for, it may do some good in some collectors collection. I am only a beginner and have only a small collection.

The Nationwide Coins of 1274 E.93rd St., New York is soliciting new members. They offer many interesting advantages; a Bulletin membership, and 1957 Proof set for the enrollment of \$3.50. Its director is A. J. Vetere. Their display is elsewhere in these pages.

Dear Frank:

The 1957 American Vecturist Association convention will be held in the offices of Max M. Schwartz, 25 West 43rd St., New York City on August 3 and 4.

Have never been able to obtain that lone remaining Newark token that I need. Could perhaps you or some member of the Newark club possible check to see if the small bronze token of the Public Service Coordinated Transport with "Geo H Blake" on reverse is still current.

I would be happy to hear from anyone having one for sale or information.

Lt. Harold Ford Jr.

Editor's Note: I hope to get some cuts made up of some scarce-rare tokens for our next issue. Also to repeat Lt. Ford's article on tokens used in an earlier edition.

Dear Mr. Spadone:

I am sure our readers would be interested in the following. Last month I received my order of 1957 Proof sets from the mint. I marveled at their beauty, but noted one set had the nickel with a piece missing from the letter M to A at the rim about 1/4 inch. At first I was angry and was going to return the set, then I realized it might be of value. Am I right in assuming this?

I would like to also take this opportunity to express the enjoy-

ment of receiving your paper. It is written in good taste and enjoyed by my family.

—Mrs. Lorraine Laino
2910 Ave. D, Brooklyn, N.Y.
Editor's note: I have heard of a few sets not being up to par by another party. As Proof sets are made perfect and as a collectors item, I would say this is unusual indeed, as great care is used in the striking of Proof sets. I would say it is worth more than you paid as to value. Maybe one of our readers can help you.

Dear Sir:

Noted riddle in last issue, here's another for our readers.

A coin collector died and willed 17 silver dollars to his 3 sons to be divided as follows:

First son to get 1/2 of the total.
Second son to get 1/3 of the total.
Youngest son to get 1/9 of the total.

The dollars must be kept whole. No breaking up into fractions of a dollar. Each son must get his share in whole silver dollars. They divided the coins as specified in the father's will. How did they do it?

Solution on Page 12.

NEW CHARTON'S

CANADIAN BOOK

The 1958 Edition of Charlton's catalogue of Canadian & Newfoundland coins and tokens is now available. The early date of publication was necessary because of the remarkable increase in interest in Canadian coins, which has made the prices in the 1957 Edition out of line with the market.

In this 6th Edition of the standard catalogue of Canadian coins and tokens there are several new features, such as new artist's drawings of the varieties of the 1858 cent and 1952 and 1955 silver dollars. The prices of nearly all coins have been increased, particularly in the decimal series where outstanding advances have been made in material in uncirculated condition. The catalogue is a 'must' for all collectors of the British North America series.

Looking through June issue of Flying Eaglet I came across Fred Gombash's photo of 1956-D Mint Error cent 50¢ off center, saying its worth is \$3.50.

Would like to buy all these cents that Mr. Gombash has to give away at this price. As I am sure many other collectors would.

Keep up the good work on a fine journal as it is tops with me.

CLUB and GROUP NEWS

Club Secretaries: The editor welcomes club news and other items of interest for publication in the "Eaglet." Clubs wishing periodicals and other news, write the editor.

COLLECTOR'S CLUB OF BOSTON

The 106th regular meeting of the Collector's Club of Boston, was held in the Sheraton Plaza Hotel, Boston, Tuesday June 11, 1957.

We had ten at the dinner table at the pre-meeting get together. It is so nice to break bread with our fellow members. Try one and you will know what I mean.

The meeting was called to order at 8 P.M. by Pres. Louis G. Koutsos with 21 members and six guests present. Not bad for a very warm night.

The reports of the Sec'y. and Treas. were read and approved. The Pres. congratulated the Sec'y. and Treas. for the fine work they have done for the Club in building up our membership (21 new members) and also the amount of money in the Treasury.

The Earl V. Tuttle, (Past Pres. of the B.N.S.) gave some very interesting highlights on the N.E. N.A. Conference to be held in Boston Oct. 12-13, 1957. He explained that (GOLD) Medals will be made up for this Conference, but can be obtained only by subscription. If you should care for one, please order from the undersigned.

Door prizes were kindly donated by Joseph Lipson, Maurice Gould, Andy Scott and Charles Mason. The attendance prize was won by Mrs. James Taylor. A small auction was held with spirited bidding. Maurice Gould in charge.

The Guest Speaker was Clifford Howe, Chairman for the A.N.A. Awards for National Coin Week. His subject "Commemorative Half Dollars", illustrated with slides kindly loaned the Club by the A.N.A. Mr. Howe did a very fine job as narrator.

We have some very fine speakers engaged for the Fall & Winter meetings.

The officers wish for all an enjoyable Summer Vacation.

—Grace D. Lincoln, Sec'y.
41 Aquavia Rd., Medford, Mass.

THE NEW JERSEY NUMISMATIC SOCIETY

The 281st meeting of the N. J. Numismatic Society was held on June 13th. Arthur Mershon presided. The door prize was won as usual by George Wait. The designation for the evening, "Coins Of Your Ancestors Country", brought some outstanding items. H. M. Oechner brought multiple talers of Germany. To wit 1614 Teutonic Order, 1693 Paderborn, 1675 New Gotha. Under new acquisitions Vincent Torhan had two mint errors Indian Rupees. Vince is the Numismatic C. of America. William Selfridge brought a gold

stater of ancient Britian Atrabates 1st Century B. C. J. P. Ward had a fine 1795 Lettered Edge U. S. Cent and a 1843/2 cent. W. C. Blaisdell as usual had rarities and this time all proofs, 1856 Flying Eagle Cent and Silver Dollars. George Wait brought a Shekel of Tyre 100 B. C. a tetradrachm of Ptolemy 200 B. C. Philip Rosenbaum had a 1935 Waitangi Set Of New Zealand Proofs, a complete set of U. S. Half-Cents and complete sets of 2 cent and three cent pieces. Joseph Keller had two ancient coins of 235 B.C., a Canadian 20¢ piece of 1858 and Canadian 25¢ of 1891. James A. Brown read a bright Uncirculated article on U. S. Trade Dollars. Mr. and Mrs. Mershon served orange drinks and home made cake to the members and guests as a summer festival.

—James A. Brown, Sec'y.-Treas.

THE FORT COLLINS COIN CLUB

The June meeting of the Fort Collins Coin Club was held Friday, June 7, at 7:30 P. M. at the Junior High School Cafeteria. Guests and prospective members are cordially invited to attend. Refreshments are served.

The purpose of the club is to promote the collection of coins, not only from the standpoint of a hobby, but to further understand and study the history and economy of our nation through coinage from the first coin struck to the present. The history and economy of our country can be traced step by step through a study of money.

The value of a coin is determined by several factors:

1. Number of coins minted.
2. Condition of coin.
3. Sentimental value.
4. Age of coin.

The age of the coin is probably the least consideration, as the first coin struck by the authority of the United States in 1787, the Fugio cent, is worth approximately \$15.00 in uncirculated condition, while a Lincoln cent minted in 1914D (uncirculated) is worth about \$80.00.

You may have an unknown fortune in the old trunk in the attic. Dig it out and look it over.

The Greeley Coin Club held their annual banquet May 10, and was well attended. Fort Collins Club was represented by E. G. Goss, Frank Laas, Walter Bohler, Joe Curby, Ray Gile, N. E. Eaton, and Don Pavel. The Smorgasboard was very delightful and the meeting was a grand success.

JEFFERSON COUNTY CLUB ORGANIZED

President E. G. Goss, with Frank Laas and Walter Bohler attended the Jefferson County Coin Club, the newest club in Colorado. It was held at the Rocky Mountain National Bank at Lakewood, May 17th. They had a very large turnout with 47 attending. Gale Klein is the president of this fast growing club.

OKLAHOMA'S 50th Anniversary

The celebration of its Semi-Centennial is April 22, to Nov. 16, 1957. This state was born 1907. The gala birthday party will be held at the State Fair Grounds in Oklahoma City, June 14, thru July 7.

The Exposition will consist among many other fabulous sights, a panorama of the pioneer days.

Postmaster General Arthur E. Summerfield announced the special 3 cent stamp to commemorate this 50th anniversary. The stamp will display 1907 Arrows to atoms 1957. 80,000,000 stamps have been authorized.

A special cover will be issued. Write: University Stamp Club, Box 1555 F-Okla. City 1, Okla. 10¢ each 12 for \$1.00.

PACIFIC NORTHWEST CONVENTION

A new record in attendance was set at the 14th annual Pacific Northwest Numismatic Association convention, with 216 registered for the meetings in the Multnomah Hotel in Portland, Oregon. Large crowds of non-collectors were continually on hand at the three-day gathering, May 24-26, to view exhibits which were insured for \$250,000.

John C. Bushnell, a McMinnville, Oregon, jeweler, was elected president of the PNNA, and Seattle was selected as the 1958 convention city. The Seattle Coin Club will be host.

Grand award for exhibitors went to an old-timer, S. L. Burnaugh, Portland, whose extensive exhibit varied from wooden nickels and Confederate currency to rare proof sets and uncirculated U. S. gold. A trophy for outstanding service to numismatics, given by the 1957 host club, the Oregon Numismatic Society, went to one of its members, George McLarty of Portland. He had a large display, some of the items having been in his possession 71 years.

Top trophy for the best exhibit of U. S. coins went to Willis Ashley, Portland; most originality in display, John E. Ohls, San Francisco, and best junior display, Philip Durkee, Vancouver, Wash.

Leo A. Young, in two auction sessions, sold 2500 lots to eager bidders. Prices generally were firm. Twenty-eight bourse tables did a brisk business both in buying and selling.

PATTERNS ARE IN DEMAND

The above photo of the 1882 V nickel is in my opinion one of the future buys to keep an eye on. The 1882 nickel was written up in our January, 1957 issue, since then we have some 1,000 new readers who have missed it. Due to the importance of it, and demand of other patterns, we are mentioning it again.

First, my apologies to Sol Kaplan of 413 Race St., Cinn., Ohio, for not mentioning him as a distributor of Patterns, in fact he is known to carry the largest stocks of this material. A glance of his price list shows it to be quite reasonable.

There are some 425 pieces of these 1882 patterns, allowing for some hitting circulation, and lost. I would say about 300 but only some 50 pieces available for purchases from the dealers who carry this stock. They vary in some 15 designs and are found in some 4 different metals, mainly copper, nickel, and aluminum. They can readily be identified in Adams-Woodin Pattern book. Incidentally some of our readers have noted in display ads A.W. 1675 with no description. This is the listing of the 1882 V nickel with the reverse of 1883 struck in nickel, A.W. is the reference book, Adam-Woodin. This nickel is the exact likeness of the 1883, our first regular issue, many have never heard or seen this pattern, the only difference being the date 1882. As to rarity it would be the same as saying you possess an 1908 Lincoln cent. Of this pattern A.W. 1675 there are but some 12 in existence, with some 30 of same likeness but struck in different metal, of which too my surprise is considerably cheaper in prices and they are available. Some of these are listed as rarity 10 which means some 10-15 were struck. Presently these nickels can be bought for as little as \$35. if available. I have noted jumps of prices in patterns to going over \$100.

SOLUTION: The sons purchased a silver dollar from a coin dealer and this made a total of 18 silver dollars. Then they divided them.

First son 1/2 of them	9
Second son 1/3	6
Third son 1/9	2

This makes 17 Silver dollars so they had a dollar left over which they returned to the dealer for refund.

Coed: Oh, darling, this is so sudden!

Lulu: Do you know what good clean fun is?

Lou: No, what good is it?

Wifey: I was a fool when I married you.

Hubby: Yes, but I was so infatuated with you that I didn't even notice it.

WHAT IS A CUSTOMER?

"A customer is the most important person ever in the business . . . in person, by mail, or by phone.

"A customer is not dependent on us . . . we are dependent on him.

"A customer is not an interruption of our work . . . he is the purpose of it. We are not doing him a favor by serving him . . . he is doing us a favor by giving us the opportunity to do so. "A customer is not an outsider to our business . . . he is a part of it.

"A customer is not a cold statistic . . . he is a flesh and blood human being with feelings and emotions like your own.

"A customer is not someone to argue or match wits with. Nobody ever won an argument with a customer.

THE SMART BUSINESS MAN SAYS! "DOING BUSINESS WITHOUT ADVERTISING, IS LIKE WINKING AT A GIRL IN THE DARK." IT PAYS TO ADVERTISE IN THE "FLYING EAGLET"
